The number of arbitrators shall be one. The seat, or legal place, of arbitration shall be London. English law and the Arbitration Act 1996 (or any replacement Act) shall apply. The language to be used in the arbitral proceedings shall be English. Entire Agreement. This EULA constitutes the entire agreement between You and Company with respect to the use of the Software licensed hereunder and supersedes all prior agreements, representations or understandings, written or oral, regarding the subject matter.

Equitable Remedies. The parties agree that a material breach of this EULA adversely affecting Company's proprietary rights in the Software or Documentation would cause irreparable injury to Company for which monetary damages would not be an adequate remedy and that Company shall be entitled to equitable relief in addition to any remedies it may have hereunder or at law.

Assignment and subcontracting. Company may at any time assign, transfer, charge, subcontract or deal in any other manner with any or all of its rights or obligations under this EULA provided that if Company subcontracts its obligations it shall remain liable for them.
